MEMORANDUM FOR: Mr. David Murphy

FROM: A. W. Dulles

Dear Dave:

The Viking Press sent me the attached advance proof of Sefton Delmer's book on the British black radio operation during the last war.

I do not know whether this has any particular interest to anyone in your shop or to WE, but I have no time to read it at the present moment and I think I can hold my curiosity until the final edition comes out.

If you have no particular interest in this, you can throw it away as I do not want it back.
